

The UU Santa Fe Community Needs You!

Become Involved. Pursue your Interests. Share Your Talents

Generally, the more involved people become in the life and activities of UU Santa Fe, the richer their experience. But finding a way "in" can sometimes be difficult, especially if you don't know many people. One way to get involved and be of service is to share your special talents and interests.

With that in mind, won't you please take a few minutes to let us know something about you and the kinds of activities you're interested in? The information that you enter here will be for church community use only, and your privacy will be respected.

Please also check the website (uusantafe.org), the emailed *UU Santa Fe Weekly* and Sunday announcements for ways to become more active at UU Santa Fe.
